# Academic Excellence

Twenty-six HCS students graduate from Thomas Nelson Community College with an associate degree

Thursday, May 13, 2021, was a momentous and historical day as 26 Hampton City Schools students graduated from Thomas Nelson Community College (TNCC) with their associate degree. These students are part of the Academy of the College Experience (ACE) at Phoebus High School.

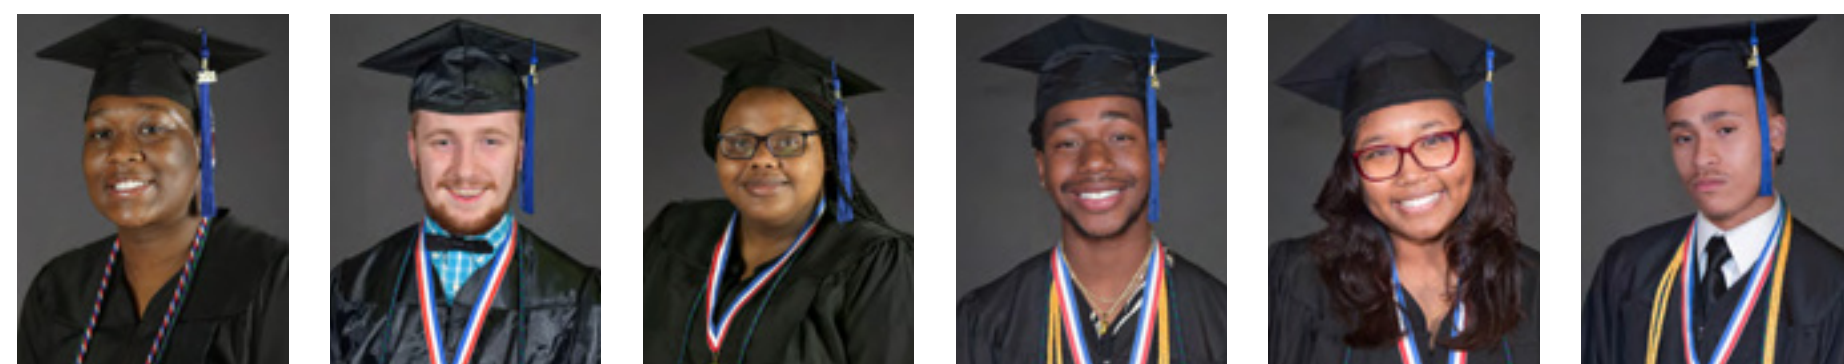

The ACE Academy is one of Hampton City Schools' 16 wall-to-wall academies. ACE not only provides students with the opportunity to complete their high school diploma and associate of arts degree simultaneously, but also results in substantially reduced college tuition costs and the time spent earning postsecondary degrees.

Congratulations to the following students who received their associate degree from TNCC:
